WON'T YOU TAKE ONE?

The time is now drawing near when our "order" for Fresh Air Children will have to be sent in to the New York Tribune office, so please decide as soon as possible how many of these little dwellers in the city you can take and notify some member of the committee the number, age and sex of the children you will entertain for the two short weeks.

So far, invitations for 15 children have been received by the committee. We feel sure there are many other homes in and about Morrisville that will be open to one or more of these poor children from New York. Don't wait to be asked what you will do, but volunteer at once.
